

The background is a monochromatic purple isometric illustration. It depicts a stylized landscape with several islands of varying sizes. Some islands are covered with clusters of small, dark purple trees. Other islands feature buildings, including a tall, multi-story structure and a smaller, cylindrical one. A wind turbine is visible on one of the lower islands. The overall style is clean and modern, with a focus on geometric shapes and a limited color palette.

# Step Up Education Outreach Business and Economics Statistics

Program Description

STEP UP SMART TECH & EDUCATION PROGRAM

## Step Up Outreach Business and Economics Statistics

### Program Description

#### Includes

Program Framework  
Connection to Australian Syllabus
